

## Introducing Volunteer in the Valley

A new way to connect, grow, and strengthen our community!

River Valley United Way is launching Volunteer in the Valley, a free, easy-to-use platform that connects volunteers to local nonprofits across Pope, Johnson, and Yell Counties.

Our goal is simple: to make it easier for volunteers to find you – and for you to find the support you need.

### Why Join Volunteer in the Valley?

- Reach more volunteers: Your opportunities will be promoted through a community-wide site built just for our region.
- Save time: Easily post opportunities, manage signups, track volunteer hours, and run reports.
- Grow your impact: Showcase your mission and events to an engaged local audience.
- Build community connections: Be part of the only platform dedicated solely to nonprofits serving Pope, Johnson, and Yell Counties.
